How cleanups work...

- Special recognition for the school with the most registered cleanup crews!!
- Families, civic and youth groups, businesses — all can register for the Great American Cleanup
- You pick your spot (ask KRB for help if you need it!), invite your friends and neighbors, get supplies from KRB, do your cleanup, leave the bags for the local highway department, and report your cleanup results to KRB (**Cleanup reports due Friday, May 8**). Please recycle bottles and cans whenever possible to conserve energy and limit climate change.
- Keep Rockland Beautiful provides overall event coordination, including volunteer recruitment and distribution of trash bags and giveaways while supplies last. We also organize the campaign “Kickoff” event and the Volunteer Appreciation Reception, both free. KRB’s school programs, beautification projects and advocacy for litter law enforcement insure that your cleanup is part of a successful and systematic effort to protect the environment and quality of life.
- Event sponsorships are available and receive recognition via logos on event supplies and other media—please call KRB for more information, and THANK YOU!
- Copy this sheet and give it to others—SPREAD THE WORD!

OUR GOAL: 5000 VOLUNTEERS, 40 TONS OF TRASH, A CLEANER ROCKLAND!!
