

Greetings (LOCATION) Community Volunteers,

Hopefully this message finds you well. It's almost time for the (LOCATION) Community Cleanup! Please join us (DATE) (rain date: (DATE)) for a fun-filled day of environmental stewardship. Beautifying your community by cleaning up its littered areas is what makes (LOCATION) such a wonderful place to live, work and play.

To sign up for this event, please visit www.keeperocklandbeautiful.org/cleanup-registration/ so we will be ready for you and your team of volunteers! Feel free to spread the word and invite as many friends, family members and neighbors as you would like!

The event check-in and supply distribution will begin at (TIME). There will be refreshments to enjoy during a brief orientation, and a group photo will be taken before dispersing to our respective cleanup sites. At the end of the day, upon returning your supplies, we'd love to hear about your experience and any recommendations you may have to make future cleanups more enjoyable and successful for all volunteers!

We look forward to cleaning up (LOCATION) with you on (DATE), and thank you for helping to Keep Rockland Beautiful!

Sincerely,
